

Product Model

FL3L2AA

Schematic

General Description

This economical, handy flashlight uses a strong 3 LED beam to provide powerful and extended illumination. Powered by just 2 AA size batteries, it can be used in many situations, for household and emergency lighting, hunting, and search and patrol activities.

Mains Features

1. **Energy Savings** Up to 80% more than regular incandescent bulbs.
2. **Long Operating Time** Up to **35** hours continuous lighting* .
3. **Never Replace LEDs** Up to 100,000 hours LED lifetime.
4. **Foldable Tail Hook**
5. **Easy Grip Handle**

**Camelion 2012 test results with 2xAA size Camelion Heavy Duty batteries. Performance will vary depending on battery types and lighting conditions such as temperature.*

Specifications

1. Light source: 5mm super bright LEDs (x 3)
2. Beam color: Cool white
3. LED (each): 3.2V, 20mA; 1800--2000mcd (each).
4. Power source: AA size battery x 2
5. Switch: sliding switch
6. Lighting modes: ON / OFF
7. Material: HIPS (main body)+GPPS (transparent cover)
8. Size (head x length): \varnothing 41x151mm
9. Weight (not include batteries): 44g
10. Color (body + head): yellow + black

Caution

- When the flashlight dims, immediately replace the batteries.
- Replace all batteries at the same time.
- Correctly insert batteries into the barrel and avoid reversing +/- polarities.
- Do not install backwards, charge, put in fire or mix with other battery types.
- Remove the battery if unused for more than three months.
- To prevent eyesight being damaged do not look directly into the beam.
- Children should use the product only under adult supervision.
